

A Week of Inspiration in Kitui County as KUCCPS Transverses Mwingi North Constituency offering Career Guidance

What a week it has been in Mwingi North! Our officers were in various schools equipping teachers with the necessary skills to guide students on their next career steps. Likewise, students benefited from the interactive sessions on how best to choose courses in the student portal. Our officers gave them smart tips on how to avoid making mistakes and life skills to support their campus life. The key message was that their future starts now, and the possibilities are endless! Here's how it has been in the past week:

15TH
