

This September, KUCCPS teams extended onground career forums from Nyeri to Mombasa, Eldoret to Elgeyo Marakwet inspiring students, teachers, and innovators alike. Enjoy your read.

From Innovation to Revenue: Institutions Explore Commercialisation of Research Output

KUCCPS proudly joined top innovators and scholars at the Kenya National Innovation Agency's CEIL Summit, held at Pride Inn Paradise, Mombasa (Sept 11–12, 2025). Under the theme "Catalysing Innovation and Entrepreneurial Ecosystems," the forum explored ways to enhance commercialisation of innovations in various higher learning and research institutions to address Kenya's economic needs. Ground-breaking innovations were showcased.

Taking Services to Nyeri County During Huduma Mashinani Campaign

KUCCPS officer Mr. Johnson Gichinga, joined the vibrant Huduma Mashinani drive during the ASK Show in Nyeri County, enlightening parents, students and teachers on the many opportunities that await the students after school.

KUCCPS Continues to Engage Teachers and Students in Elgeyo Marakwet County

Eager candidates from over 16 schools assembled at Lady of Glory Kaptagat Girls in Keiyo South in an eye-opening session on TVET applications, smart course selection, eligibility requirements, and the power of early career planning.

Career Guidance in Mombasa County

KUCCPS conducted an outreach at Al-Farsy Girls Secondary School in Mombasa, where eager candidates and their teachers were sensitized on the course application process, to help them make informed careers choices.

Cultivating Careers at the University of Eldoret Agri-Business Fair

Our team connected with eager Form Four candidates and curious first-year students at the 18th Agri-Business Trade Fair held in Uasin Gishu County. From education pathways to exciting career opportunities, our staff gave insightful tips and guidance
