

In this issue, we continue to present highlights of KUCCPS engagements undertaken in various parts of the country. These activities underscore the Placement Service's commitment to expanding access to higher education through career guidance and dissemination of information.

## Enlightening KCSE Candidates at the Lukenya Community School, Athi River

KUCCPS officers attended the Lukenya Schools Annual Higher Education Exposition at Lukenya Community School, Athi River, Machakos County. The forum brought together students, parents, teachers, and representatives of universities. The team engaged in insightful sessions with 225 KCSE candidates on course selection and university and college placement process. Additionally, the officers engaged Grade 9 learners on transition to Grade 10.

## KUCCPS Joins Stakeholders and Industry Officials to Popularise TVET at the Coast

KUCCPS participated in the TVET National Career and Employment Summit organised by the Kenya Coast Polytechnic in partnership with Kenya Private Sector Alliance. The discussions focused on expanding opportunities in TVET institutions, encouraging more form four leavers to pursue technical and vocational courses and aligning training with industry needs. The event brought together about 1,000 participants including TVET principals, industry partners, students, and teachers.

## Garissa University Conducts 6th Graduation Ceremony

KUCCPS was represented as Garissa University conducted its 6th graduation ceremony, where 912 students were conferred with Doctorate, Master's and Bachelor's degrees as well as Diplomas and Certificates. The ceremony was witnessed by distinguished guests including the Cabinet Secretary for Water Hon. Eric Muriithi Muga, Wajir South MP Hon. Mohamed Adow. KUCCPS Garissa Huduma Centre officer was in attendance.

## Huduma Mashinani Takes Career Guidance and Public Services to Kitui East

Our Kitui Huduma Centre Officer sensitised parents and students on career guidance and higher education pathways during the recent Huduma Mashinani outreach in Kitui East. The engagement drew strong local support, with Huduma Kenya CEO Mr. Ben Kai, Area MP Nimrod Mbai, three MCAs and five chiefs in attendance. The leaders emphasised the importance of community-level partnerships in driving access to education and government services.
