

STORI ZA CAREERS

A weekly update of KUCCPS career guidance activities

Welcome to this month's first issue of Stori za Careers!

Inside, we share stories from our recent career guidance sessions across different counties, where we connected with students, youth, teachers, parents, and guardians. These visits highlight our commitment to walking with you through every step of your career journey—from junior school all the way to university. Happy reading!

KUCCPS CEO Takes Career Services to Zetech University

KUCCPS Chief Executive Officer Dr. Agnes Mercy Wahome graced Zetech University Career Fair, where students from 26 schools in Nairobi, Kiambu, Machakos and Murang'a counties were sensitised on career pathways and training opportunities. Zetech University Vice-Chancellor Prof. John Munene, deputy vice-chancellors, deans of schools and other university officials were present.

KUCCPS Collaborates with Stakeholders to Enhance Awareness on TVET Programmes

KUCCPS conducted career guidance activities in Mombasa County in partnership with various stakeholders. The events started on Tuesday with a TVET awareness programme for Form Four leavers conducted at Tononoka Social Hall in collaboration with Akili Dada and Kenya Blue Economy Skills Training Program (KBEST).

From Wednesday, KUCCPS worked with Office of the MCA, Bamburi Ward, for a grassroot TVET and Blue Economy awareness drive in Kashani, Kiembeni, Mwantubila, Bombo and Majaoni areas in Bamburi Ward. Mombasa-based TVET institutions and other partners were represented.

KUCCPS Huduma Services Outreach in Kakamega County

The Placement Service joined other Government agencies, public institutions and Huduma Kenya for a two-day Huduma Mashinani outreach that was held at Muliro Gardens in Lurambi Constituency, Kakamega County. During the event that ended today, a total of 1,400 members of the public were sensitised and supported to access KUCCPS and other government services.

The Placement Service Congratulates Kenya Utalii College For their recognition by the World Association of Chefs' Societies

Kenya Utalii College (KUC) recently received formal global recognition from the World Association of Chefs' Societies (Worldchefs). Kenya Utalii College is the latest public college outside the Ministry of Education to offer its certificate and diploma courses through the KUCCPS system. Early this year, 765 applicants were placed to hospitality and tourism programmes offered by the college.
