October 17

On 17 October 2026, KUCCPS brought career inspiration and environmental action at,

- Kapkessum Senior School
- Kessup Mixed Senior School

From helping learners explore their career pathways to donating career guidance books and planting trees, the outreach nurtured informed decision-making while promoting environmental conservation. By investing in learners and the environment, KUCCPS continues to inspire a future where both people and nature thrive.

October 18

KUCCPS wrapped up the week's school outreach at St. Augustine Boys Senior School, AIC Girls Kessup and Soy Girls Senior School. The visits brought together career guidance, book donations and tree planting exercise, helping learners look ahead to their opportunities while caring for the environment. The closing day reaffirmed KUCCPS' commitment to informed career choices, educational empowerment and a greener tomorrow.
